Re: FAA Waiver
Da: April 16, 2019

To Whom It May Concern:

We filed Form 470 in March but missed the deadline to file Form 471. We are seeking a waiver of FCC rules. Form 471 has been submitted as of April 16, 2019. The deadline was missed as we have missed several days of school in the past month due to inclement weather (6 days). This is also our first year filing for funds in which the process and site were a new venture for our school district.

We have some major needs in our broadband and internet connections being a school in rural Minnesota with a tight budget and would greatly benefit from these funds as we will not be able to make any improvements without the dollars.

Please strongly consider granting the Ada-Borup School District a waiver for the missed deadline to file Form 471. If you have any questions please contact Kelly Anderson (kellya@ada.k12.mn.us or 218-784-5300).

Thank you
